Dedication

To be efficient takes perseverance and to be dedicated takes infinite time and selflessness, but to be both of these is an attainment few can claim.

These are the professional qualities which make you the fine educator you are, but to us you are more than that. Your friendly smile and understanding advice have encouraged us many times in our years at G. H. S.

Therefore we, the graduating class of 1967, humbly dedicate our Seniorian in honor of you, Mrs. Beattie.

Principal's Address

Your country has granted you many privileges and rights for your own freedom and welfare. You must constantly be aware of the fact that such things as free speech, free press, and free assembly are privileges which must be protected and not abused. To be able to do as you please is not the solution to the problems of a democracy. This attitude may, instead, be the source of these problems. Democracy, more than any other way of life, requires of its citizens intelligence, character, and moral responsibility.

You have been provided with the materials with which to become intelligent citizens, the environment to develop your character, and the circumstances to demonstrate your responsibility.

You have the foundations . . . . . now build upon them.

SCHOOL SONG

Amid the gleaming northern snow,
Beneath the pilot range,
We praise our school and those who know
The glory of her name, the glory of her name.
In every sunset glare,
We see her colors fair.
In loyal pride afar and nigh,
We'll honor Groveton High . . .

Along the curving river's brim,
Throughout the mountain vale,
Her fame we sing with rousing vim,
And loud her colors hail, and loud her colors hail.
For the Purple and the Gray,
Our teams shall always play,
'Neath summer sun or wintry skies
We'll honor Groveton High . . .

SPORTSMANSHIP CODE

1. We will try to be sportsmanlike winners and losers. We hate to lose, but when we do, we'll congratulate our opponents taking defeat like men rather than like cry-babies.
2. We'll recognize that our referees are chosen by mutual agreement, and that they are the best officials that are available. We will not hoot, nor boo, nor use any unsportsmanlike conduct that is likely to hurt our team or our school.
3. We will treat our opponents as guests, and will make their visit with us as pleasant as possible. We will keep quiet during the shooting of all foul shots.
4. We will recognize a fine play or good sportsmanship on the part of a visiting team.
5. We will not applaud any unsportsmanlike conduct on the part of any player.
6. We will cooperate with the visiting cheerleaders during the exchanging of cheers. We will be unfailingly courteous to them.
7. We will give cheers for injured players of both teams.
8. We will try to influence all adults to observe our school standards of sportsmanship.
